Research Director
The Council for Tobacco Research

Dear Dr. McAllister,

I would like to receive updated information concerning the Council's Research Grants Program [ie.e., the Policy Statement, the informational letter supplied to potential investigators, a listing of recently supported research projects]. Our office is responsible for notifying faculty about upcoming funding opportunities, and it is very helpful to have such information/applications to pass along to those who are interested.

If applications are not yet available, I would greatly appreciate basic information as to the application deadline schedule because I am preparing our campus-wide January deadline newsletter and would like to include your programs.

Thank you.

Sincerely,

G. Lynette Michael
